

SHADEVIEW® STRUCTURES COLOUR GUIDE

SHADEVIEW®
STRUCTURES

SELECTING YOUR COLOURS

This guide helps you select the colours for your Shadeview® Structure. The right combination brings your structure together—this guide keeps the process simple for you.

YOUR SELECTIONS

For most structures, you'll choose:

- One Structure Colour (RAL) — for the steel frame
- One Roof Colour (QC) — for the sheet metal roof

For Pergolas and ArtShade™ structures:

- Only structure colours (RAL) are required
(These structures do not include a sheet metal roof)

STANDARD & PREMIUM OPTIONS

Standard Colours — Included options available for all projects

Premium Colours — Upgraded finishes that may affect pricing or availability. Pricing available upon request.

EXAMPLE COLOUR SELECTIONS

See how structure and roof colours came together on other projects.
